

Chemical Handling Repackaging Manufacturing Distribution

CONTAINERS

Intermediate Bulk Containers (Totes)
Replacement Parts and Accessories
Dry Bulk Bags
Specialty Bins
Pails
Cans
Plastic Bottles
Plastic and Steel Drums

INSTRUMENTATION & CONTROLS

Controllers, monitors, transmitters
Flow sensors
Gauges
Instrument panels & sensors
Pressure and temperature
Recorders

FUME DUCTING & BLOWERS

Corrosion-resistant industrial fans Duct
Flexible duct Lab blowers

TANKS

Custom-fabrication in all plastic materials
Environmental containment Secondary
containment tanks & vessels Seismic-
rated tanks Stainless Steel
Storage tanks: vertical & horizontal
Tank adapters (bulkhead fittings)
Tank stands

PUMPS

Air-operated double-diaphragm (AOD)
Booster pumps
Centrifugal
Chemical
Drum & barrel
Flexible impeller
Gear
High pressure
Hose pumps
Magnetic driven
Metering
Peristaltic tubing
Progressive cavity
Stainless steel
Vertical

SHEET, GRATING, BAR, PULTRUSIONS, SHAPES, WELDERS, FASTENERS

Flat sheet stock
Fiberglass grating, stair tread, strut
Hot air welding equipment Plastic nuts,
bolts, washers, hangers Rectangular bar
stock Round bar Welding rod

SPILL RESPONSE

Organic non Leaching Absorbents
Drum & IBC Spill Containment Basins
Drum and Tanker Tourniquets
Transportation Spill Kits
Overpack Drums
Over Flow Basins for Tanks

FLEXIBLE TUBING, HOSE, HOSE FITTINGS & ACCESSORIES

Braid-reinforced tubing
Compression fittings
Crimp fittings
Hose clamps & O-clips
Insert fittings
Nylon tubing
Pneumatic fittings
Polyethylene & Polypro tubing
Polyurethane tubing
Push connect fittings
Quick disconnects
Sanitary assemblies
Silicone tubing
Stainless Steel compression fittings
Stainless Steel tubing
Suction & delivery hose
Teflon tubing (PFA, FEP, PTFE)
Tubing valves & accessories
Tygon tubing
Vinyl tubing

RECYCLING SYSTEMS

IBC Washing and UN Recertification
Drum, Reconditioning, & Recertification
Poly Granulator Service for Disposal
Reconditioned Drums & IBC's
Recycling Bins and Utility Carts

FILTRATION

ASME vessels
Bag Filters
Basket & Y-strainers
Carbon treatment
Filter elements
Filter housings
Pump filter systems
Stainless Steel pressure vessels

REGULATORY CONSULTING

DOT Training
Driver Qualification
OSHA Compliance
Environmental Compliance
Written Plans
Auditing
DOT Safety Fitness
Drug & Alcohol Programs

PIPE & FITTINGS

Clear PVC
Compressed air piping systems
Corrosion resistant pipe & fittings
Fuseal2 secondary containment
Fuseal 25/50 PVDF acid waste
Fuseal Polypro acid waste
Hi-purity piping systems, Sygef, Proseal, LXT
Lab waste
Plastic pipe hangers, channel frame, strut
Process pipe
PVC / DWV
Schedule 40 PVC & CPVC
Schedule 80 PVC & CPVC
Secondary containment pipe & fittings
Tools, cement, Teflon tape
Ultra high-purity Stainless Steel 316L

LEVEL CONTROL

Continuous point sensors & controllers
Float switches
Level transmitters
Magnetostrictive
Optic sensors
RF capacitance sensors
Ultrasonic sensors

Management Services

Project Management
Process Design
Quality Systems
Reporting and Permitting
Hazardous Waste
Exposure Monitoring
Environmental Sampling

HEATERS

Electric immersion heaters
Heat exchangers In-line
heaters Temperature
controls

MIXERS

Chemical injectors
Drum mixers Gear
drive mixers Static
mixers Tank mixers
Teflon mixers Turbo
mixers

SPECIALIZED SYSTEMS

Acid waste pump stations Custom
chemical metering systems
Neutralization tanks Process control
equipment Pump control panels
Waste treatment modules

VALVES

Actuated
Ball check
Ball: true & single union, MIP, compact
Butterfly
Diaphragm & diaphragm check
Gate/globe
Needle & labcock
Pressure relief & regulators
Solenoid
Stainless Steel valves
Swing check/spring check
Three-way ball & multiport
